

Retail Display Nesting Tables in Three Sizes

Nesting Tables add style to retail environments using three various heights and table top sizes, adding interest for customers and making it easy to find specialty merchandise.

Nesting Tables increase customer interest by providing clever merchandising solutions using various configurations. Tables can be used independently, grouped using different angles, or set in a cascading formation.

Nesting simplifies storage by easily locating tables under each other. Available in solid maple, white, or black finishes with additional options available.

Tables are made in the U.S.A. and available in three sizes.

Table sizes

Large: 36"H x 44"W x 24"D
 Medium: 27¾"H x 36"W x 20"D
 Small: 19½"H x 28"W x 16"D

Installation

Installation instructions are included with packaging.
