

SLATWALL ACCESSORIES

Optimize Storage and Style with Slatwall Accessories

Enhance both the functionality and appearance of your slatwall panels with our high-quality accessories. From trims and inserts to durable shelves, these solutions help you customize your space and maximize storage.

Hooks & Brackets

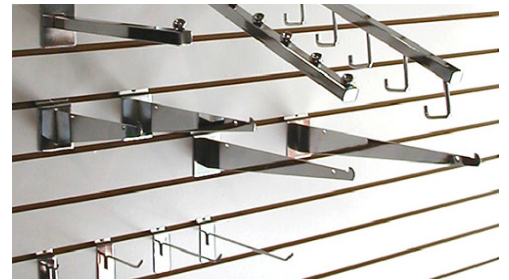

Hooks and brackets provide flexible, functional support for storage and display

Brackets:

Strong and versatile, brackets support shelves and heavier items with ease

Hooks:

Available in various sizes—perfect for hanging tools, accessories, or products

Shelves

Add versatile storage with slatwall-compatible shelves—built to fit your space and style

**Wood:**

Sturdy shelves in maple, cherry, or black—great for display or home organization

Acrylic:

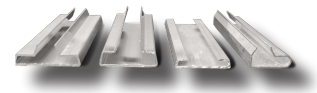

Clear, lightweight shelves—perfect for displaying small or decorative items

Metal:

Durable shelves built to hold heavier items in garages or retail spaces

Inserts

Enhance the look and strength of your slatwall with inserts available in a range of materials and colors

**Vinyl:**

Add color and protect grooves with matching vinyl finishes

Metal:

Boost strength for heavy-duty displays and load-bearing needs

Plastic:

Lightweight, affordable inserts that enhance slatwall appearance and support
