

Make a Statement With Clean Lines and a Modern Look

Add a touch of elegance to your space with the CUBEwall Series, featuring a unique combination of vertical and horizontal grooves. This classic slatwall design creates visual interest and functionality, perfect for enhancing any retail display or wall.

Key Features

Distinctive Design:

CUBEwall offers both vertical and horizontal grooves, adding a decorative and eye-catching element to your walls

Seamless Panel Integration:

With half grooves on all four outside edges, CUBEwall panels provide a continuous, uninterrupted look for multi-panel installations

Durable Construction:

Built with durable **high-strength particle board**, providing exceptional strength and reliability

Customizable Groove Spacing:

The standard groove spacing is 6" on-center, but can be customized to suit specific needs

Finish Options:

CUBEwall grooves can either be left unfinished for a natural look or painted to match your design preferences

Customization Options

- **Groove Spacing:** Custom spacing options are available for unique applications
- **Edge Design:** Edge grooves can be customized to meet your specific needs
- **Finishes:** Grooves can be left raw or painted in a variety of colors to align with your brand or décor

Applications

- Retail displays
- Commercial spaces
- Home organization

Accessories Available

Compatible with a wide range of hooks, shelves, and baskets
