

Customize Your Space with Interchangeable Graphic Panels

Enhance your display with the GRAPHICwall Series, designed to showcase interchangeable graphics in a seamless and professional manner. This slatwall system offers a visually appealing and practical solution for retail environments, exhibitions, and more.

Key Features

The GRAPHICwall Series offers unique capabilities that enhance the versatility and functionality of your display system:

Graphic Display:

Features a built-in track system to hold and protect interchangeable graphic panels, perfect for promotional materials, branding, or frequently changing displays

Customizable Panels:

Choose from a variety of finishes, colors, and designs to match your brand or space

Durable Construction:

Supports both the slatwall functionality and the graphic display, ensuring long-lasting use while maintaining a professional look

Additional Benefits

- Endless wall and fixture options
- Vivid ultra-high resolution graphics
- Environmentally friendly printing process
- No minimum order quantities required
- Pre-cut graphics are reusable and numbered for easy installation

Applications

- Retail displays
- Exhibitions/trade shows
- Commercial spaces

Accessories Available

Compatible with a wide range of hooks, shelves, and baskets
