

READY-TO-ASSEMBLE DISPLAY FIXTURES

Versatile Merchandise Displays with Slatwall Core

Ready-to-assemble (RTA) display fixtures allow merchandise to be arranged in a variety of ways using accessories and shelves. Display fixtures can be easily moved using included casters. Made with a durable core slatwall, display fixtures are available in white, black, birch, and cherry finishes. Display fixtures, shelves, and accessories are sold through Wind Mill authorized distributors.

Display Fixtures

- Made from a durable core
- Available in white, black, birch, and cherry finishes
- Easy to assemble (Counter-top Cube ships fully assembled)
- Ships via ground
- Made in the U.S.A.

All RTA fixtures are manufactured with a durable core which is significantly stronger than standard medium density fiberboard (MDF).

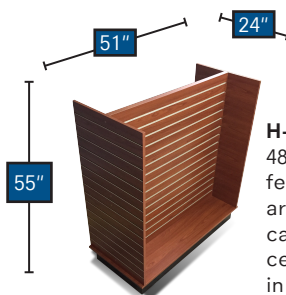

Shelves

Shelves are sold separately in packs of four and are available in white, black, birch, and cherry. All shelves are finished on two sides and three edges. Available in the following sizes:
